

## RE: GTA Mobile Service Suspension Extended

### Private and Retirement Homes

Dear Health Care Partner,

As the staffing crisis continues in many regions of Ontario, StL Diagnostic Imaging has had to make the difficult decision to extend the suspension of our mobile services to certain pockets of the province, mainly the Greater Toronto Area.

It is our fervent hope to re-open those areas that have been affected once we regain mobile staff resources and circumstances improve greatly.

Please contact our Mobile Office Division for more detailed information about your region.

**1-800-268-5804**

We greatly appreciate the support of our partners in healthcare and your continued patience.

Thank you,

*StL Management Team*
